8 October 1965

SUBJECT: Advisory Report of Final Audit
The Perkin-Elmer Corporation
Norwalk, Connecticut
Time and Material Contract No. PML-90

TO : Contracting Officer

1. In accordance with the request of the Contracting Officer, a final audit was performed on Time and Material Contract No. PML-90, dated 23 December 1963, for services covering the period 12 November 1963 through 30 June 1964.
2. The contractor's claims, as approved for reimbursement, were determined in accordance with pertinent terms of the contract.
3. No potential credits are known to be due or anticipated.
4. There is no government property involved under the contract.
5. The results of audit are as follows:

Total contract allotted funds	<u>\$30,000</u>
Total amount claimed and approved	<u>\$22,099*</u>

*It is noted that the contractor did not bill profit on travel as authorized by the contract, the effect of which, together with some minor incorrect labor classifications, was a net under billing of \$357.
